TOTAL			

NOTE * Earlier vide item No. 1 of above table, work experience of 5 yrs was required for pre-qualification. This has now been changed to 10 yrs.

NOTES:

The prospective Bidders fulfilling the criteria of 1 (i),(ii) and 2 above, and scoring a cumulative weightage of 60%, only will be considered for pre-qualification. However, the preliminary feasibility report submitted by the tenderer will be evaluated by independent consultants and will be given equal weightage for short listing.

Joint Ventures (JV) are permitted. JV applications shall accompany the notarized copy of the JV.

There should be an in-house design organization or a subsidiary/ associate group / company with proven capability in designing similar structures. Equal weightage will be given to availability of qualified and experienced personnel, infrastructure and work done.

The value of Plant and Machinery owned by prospective bidder should not be less than Rs.1.00 Billion. (Original Purchase Price).

The value of the work executed, as a sub contractor will be considered provided the certificates are issued by ultimate clients, and not by the main contractors.

Base Year and Escalation

For the purpose of evaluation of the works executed / in progress the following enhancement factors shall be applied. The base year shall be taken as 2002-03. The enhancement factors shall not be applied on Annual Turnovers.

Year before	Multiplying factor	Actual Contract* value in Billions. Rs	Update value of Contract in Billions. Rs
One (2002-2001)	1.10		
Two (2001-2000)	1.21		
Three (2000-1999)	1.33		
Four (1999-1998)	1.46		
Five (1998-1997)	1.61		

*Applicant should indicate actual figures of costs and amount for the works executed by them in the schedule without accounting for the above mentioned factors and then compute the updated value.

The prospective Bidders are informed that only factually correct information is to be furnished. In the event of detection of incorrect information, they are liable to be summarily disqualified or terminated or blacklisted.

In case a major bridge is a part of a total work, the value of the bridge portion shall be furnished with due certification.

Note : Please fill up Annexure A in conjunction with Annexures B,C,D & E
